What is Good News Club?

Good News Club is an exciting, fun-filled club. It will be held once a week after-school. The club will be on Thursdays from 3:05– 4:30 PM. The club will include dynamic Bible lessons, exciting review games, opportunities to earn prizes, Scripture memory, songs, and a snack.

How can it help me?

Today you are constantly bombarded with choices to make. Pressure from your friends can cause you to make wrong choices and lead you into serious trouble. From these classes, you will learn to make healthy, smart choices which will effect the rest of your life.

It's for You!!

What will be taught?

Using the Bible as the main textbook, you will learn how to apply the stories and biblical principles to your life. Teaching visuals from Child Evangelism Fellowship® will be used for the Bible lesson, songs, and scripture memory time. Activities will be conducted to help this time be **FUN**.

Each week prizes will be awarded for attendance & participation. A grand prize will be given at the final club meeting.

Child Evangelism Fellowship® (CEF) is sponsoring this club. CEF is an inter-denominational Bible centered ministry. Church doctrinal issues will not be discussed.

Who will be teaching the club?

All Good News Club volunteers are trained and screened by CEF. All volunteers at this club are from Faith FWB Church located on 5th St. in Chandler.

How can I get involved?

Parental permission is required. Bring the signed permission slip from this brochure and give it to your teacher or school office. Good News Club will be on **Thursdays**, beginning September 10th (see schedule on the back of this brochure). The club will meet in the Media Center.

Does it cost anything?

No, there is no cost and you do not have to be a member of a church to participate. There will be an optional missionary offering taken each week.

Why are parents in favor of Good News Club?

Good News Club...

- provides Biblical solutions that have the power of the Word of God behind them.
- helps improve the child's memory.
- helps improve children's attitudes and behavior at home and make a positive impact upon grades.
- offers children Biblical instruction that gives them the moral foundations they need to combat the pressures of drugs, stealing, etc.
